Describe your reasons and expectations for enrolling this student at PAC :

PAC is an educational center, not a school. We are structured to assist families who are committed to the concepts of Christian self-government and home schooling. This means that students are responsible for their own behavior and learning under the guidance of a parent or teacher. Please rate this student's ability and willingness to function in such an environment using a one (1) to three (3) scale. One (1) is low, two (2) is average and three (3) is high.

Area	Rating	Area	Rating
Shows respect to and for authority		Works quietly and independently	
Listens to and obeys instructions		Resists negative peer pressure	
Completes assignments on time		Willing to follow rules and regulations	
Prompt		Avoids excessive absences/tardiness
